

The Committee was established in April 1988, as a result of the National Academy of Sciences (NAS) Committee report, "An Evaluation of the Role of Microbiological Criteria for Foods." The NACMCF provides advice and recommendations to the Secretary of Agriculture and the Secretary of Health and Human Services concerning the development of microbiological criteria by which the safety and wholesomeness of food can be assessed. This includes criteria pertaining to microorganisms that indicate whether food has been processed using good manufacturing practices.

Nominations for membership are being sought from individuals with scientific expertise in the fields of microbiology, epidemiology, food technology, packaging, pathology, public health, and/or toxicology.

Appointments to the NACMCF will be made by the Secretary of Agriculture after consultation with the Secretary of Health and Human Services. Nominees will be considered without regard to race, color, religion, sex, national origin, age, or marital status. Because of the complexity of the issues to be addressed, it is anticipated that the full NACMCF will meet semi-annually and any subcommittees will meet as necessary.

Interested persons should submit a typed resume to the Office of the Administrator, Food Safety and Inspection Service, room 311 West End Court, 1255 22nd Street, NW., Washington, DC 20250. Nominations for membership must be postmarked no later than May 20, 1996. For additional information, please contact Mr. Craig Fedchok at the above address or by telephone at (202) 254-2517.

Done at Washington, DC, on April 23, 1996.

Michael R. Taylor,
Administrator.

Brass Sheet and Strip From Germany; Amendment of Final Results of Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amendment of final results of antidumping duty administrative reviews.

SUMMARY: On July 27, 1995 the Department published the final results of administrative reviews of the antidumping duty order on brass sheet and strip from Germany. Clerical errors which were timely filed by the petitioners were not corrected by the Department prior to the time the petitioners filed suit with the Court of International Trade (CIT). Therefore, the Department requested leave to correct the clerical errors in this case. Pursuant to orders issued by the CIT on February 29, 1996, granting leave to the Department to correct these ministerial errors, we have corrected several ministerial errors with respect to sales of subject merchandise by one German manufacturer/exporter. The errors were present in our final results of reviews.

The reviews cover the following three periods:

- March 1, 1990, through February 28, 1991;
- March 1, 1991, through February 29, 1992;
- March 1, 1992, through February 28, 1993.

We are publishing this amendment to the final results of reviews in accordance with 19 CFR § 353.28(c).

EFFECTIVE DATE: April 29, 1996.
